Forest Friends Day Nursery Newsletter

Community Visits

POLICE

The Police visited the nursery on 20th July. This has helped the children understand about people who help us in the community. They learned what to do if they ever need to call for emergency help, who to call, and to make sure they dial 999. The children tried on the uniform that the police officers brought along, and they loved wearing the hat!

FIRE SERVICE

The children really enjoyed a visit from our local Fire and Rescue service. They learned all about what the fire service do, and not just putting out fires. Owls and Foxes really liked having a go with the fire hose, and trying to knock the cone over with the water. Very luckily, no one got wet!

DAY NURSERIES

We are pleased to announce we are now recommended on Daynurseries.co.uk. We have recommendation cards in the reception area of the nursery and would love for you to fill these out. Or alternatively you can submit a review on-line by following the link below.

OPEN DAY

We are holding an Open Day on Saturday 12th August from 12pm-3pm. If you know of anyone who needs a nursery place, then please invite them along. It will be 'a day in the life of Forest Friends'. Check out our Facebook page or website for more information.

TERM DATES:- Autumn Term begins Monday 4th September. We are closed Monday 28th August which is a Bank Holiday.

UPDATE ON ROOMS & ROUTINES

HEDGEHOGS & SQUIRRELS

Rhyme of the month is 'Wiggly Worm'. The children are enjoying learning and exploring in the garden and even made natural pictures using mud, leaves and twigs from the garden. At home whilst out on walks look at leaves, trees, twigs, animals.

OWLS

Keep an eye out for new changes for September term for Owls. Owls book of the month is another Julia Donaldson classic called 'Stickman'. Owls are also focussing on number recognition, and how we use maths in every day life. So please include your children in activities involving numbers such as paying at the till or spotting the numbers on the bus.

FOXES

Foxes are really enjoying their book of the month which is 'We're going on a bear hunt'. The children have enjoyed squelching in homemade mud made from mashed potato and chocolate powder. Several children now know this book off by heart. Their flexible topic is 'People who help us', focussing on Doctors & Nurses. Talk to them at home about doctors and how they help us in the community.

KITCHEN

Chef Codie has been using her new herb garden to create some fantastic meals for the children. Keep an eye out for new menus ready for October. If your child loves one of your meals from home then please do share your recipes. Children's favourite dishes this month have been; Pesto Pasta and Home Stew with Roast potatoes, YUMMY!

Announcements

We would like to announce that Dyonne our Deputy Manager is expecting her third child. So we would like to congratulate her on extending her already gorgeous family. Dyonne is due in November, and this baby will be our second Forest Friends baby.

Parking

Please could we ask parents not to park their cars in front of the garage and leave it. These spaces are solely for dropping children off and collecting them. Maximum wait time is 10 minutes.

Graduation Party

It was an emotional day saying goodbye to our school leavers and their families. We wish them all luck at big school. We will however continue to see some of you as we are open for 51 weeks of the year.

Tapestry Online Learning Journals

Please continue to upload to Tapestry as this is our main link between nursery and home. Check your spam/junk box on your e-mail and activate your log in. Tapestry is a record of your child's time here and our staff team upload weekly; pictures, videos and observations. Pop into the office if you need any assistance with this.

To keep up to date with events for nursery, then please like our Facebook page.
